

PLANNING FOR PROGRESSION

Prior learning

What level have students in this group been working at previously?

Induction

Does the answer to the above question have implication for induction to the current programme?

Current programme

At what level(s) will the current programme be offered?

Progression

What options will be available to students at the end of this programme?

Implications affecting delivery of current programme

Do the progression routes envisaged have implications for delivery of the programme currently being planned? If so, specify what these implications are.
