

ZIP SCRIPT  
Chez le médecin

**Patient:**

**Doctor:**

Greet the doctor

Greet the patient.

Invite the patient to sit down

Ask how the patient is today.

Say how you are feeling

Suggest where it hurts.

Agree or disagree and elaborate a bit.

Say what you think might be wrong.

Ask if the doctor can help you.

Give the patient some medicine or a prescription and say what to do with it.

Thank the doctor and say goodbye.
